Forecast For East of England
Issued by Met Office Exeter
at 1600 on Monday 15 Nov 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Clear spells developing allowing areas of fog to form.

This Evening and Tonight:
Clear spells generally developing this evening and overnight, but east Norfolk, Suffolk and Essex are likely to remain rather cloudy. In those clear spells it will be chilly and areas of mist and fog are likely to form. Light winds. Minimum temperature 4 deg C (39 deg F).

Tuesday:
Early fog slowly clearing, becoming cloudy from the west with the odd spot of light rain and drizzle. Best of any brightness in the east in the early afternoon. Maximum temperature 12 deg C (54 deg F).

Outlook for Wednesday to Friday:
Wednesday, dry with sunny spells, after a cold start. Staying largely dry during Thursday and Friday but rather cloudy at times. Mild for the time of year.
